

# Health Policy & Public Affairs Manager

Job ID  
REQ-10016174  
Jul 17, 2024  
Greece

## Summary

As a Health Policy & Public Affairs Manager, you will be accountable for developing strategy & providing strategic advice on public affairs & healthcare policies. You will be responsible for driving policy & developing partnerships in collaboration with cross-functional teams internally & externally contributing to our mission of reimagining medicine. You'll build strategic alliances, monitor legislative processes, and shape health policy initiatives.

## About the Role

### Major accountabilities:

- Provide an up-to-date view of political, economic & health landscape (GR & EU)
- Identify and track potential health policy initiatives
- Monitor and analyze legislative procedures to inform strategy
- Cultivate and expand networks internally & externally
- Plan and execute policy-related activities
- Create evidence, position and argumentation papers in health, economic, and social policy arenas
- Represent Novartis' interests in industry associations & networks
- Work cross-functionally to identify policy opportunities & implications in business focus areas

### Job requirements

- Bachelor's degree required in public health, economics, political science or related field
- MSc in health policy, political sciences or related field will be considered as an extra asset
- At least 2 years of experience in Corporate or Public Affairs or Market Access or Academia
- Strategic and analytical mindset
- Strong interpersonal, communication, presentation, facilitation and partnering skills. Strong ability to collaborate and coordinate across cross-functional teams in a highly matrixed environment
- Ability to establish engagement and build partnerships with Health Policy stakeholders
- Understanding of healthcare market & relevant experience either directly or indirectly will be considered as an extra asset
- Adaptable – is willing to change and grow in an uncertain and fast moving environment (high learning agility)
- Fluency in Greek and English, both in verbal and written communications

**Why Novartis:** Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together?
