## Zusammenfassung

Location: Basel

The Director, Strategy & Operations for Global Social Impact & Sustainability will play a pivotal role in shaping and driving the success of the newly established Global Social Impact & Sustainability team. This role will bring a strategic mindset and act as a trusted advisor to the Head of Global Social Impact & Sustainability, leveraging competitive intelligence, business insights, and data-driven analyses to shape and execute strategies that drive competitive advantage and business outcomes. They will also foster collaboration and innovation across teams and ensure operational excellence.

## About the Role

Your responsibilities include, but not limited to:

- Provide strategic leadership as a member of both the Global Social Impact & Sustainability leadership team and the Chief of Staff's leadership team, shaping priorities, driving cross-functional alignment, and advancing innovation to maximize the function's impact and efficiency.
- Partner with the Head of Global Social Impact & Sustainability to co-develop and execute a forward-thinking strategy that advances the function's objectives, leveraging competitive and business intelligence to deliver differentiation and drive competitive advantage.
- Lead planning, resource allocation, and the establishment of processes to ensure the Global Social Impact & Sustainability team's efficiency and alignment with business priorities. Define and implement metrics to measure outputs and link them to business outcomes, ensuring resources and efforts are optimized.
- Develop and deliver strategic internal communications, including town halls and key updates, serving as a business partner to the Head of Global Social Impact & Sustainability and promoting alignment across internal and external stakeholders.
- Plan and execute high-impact leadership team meetings, team-building activities, and planning sessions to strengthen strategic alignment and drive organizational goals.
- Identify and implement opportunities to build new capabilities and processes that enhance the team's ability to deliver against its mission.
- Oversee the management of the Global Social Impact & Sustainability budget, including Foundation budgets, ensuring resources are allocated effectively and aligned with strategic priorities.
- Cultivate strong relationships across Corporate Affairs, Novartis functions/units, and external partners to align strategies, share insights, and capture synergies that enhance business outcomes.

- Support the Head, Global Social Impact & Sustainability and Chief of Staff on various strategic projects and tasks, and participate in cross-functional projects, as needed.

What you'll bring to the role:

- Bachelor's degree, advanced degree preferred
- Proficiency in English required, excellent verbal and written communication skills.
- Demonstrated experience in Strategy Development in Social Impact & Sustainability
- Relevant experience gained in a pharma / healthcare organization.
- Strong project management experience ideally with consulting from top tier consultancies
- Experience gained designing social impact programs for a multi-national organization.
- Knowledge of Novartis initiatives including Foundations, Novartis Volunteering and Novartis climate commitments.
- Familiarity with Environmental, Social and Governance
- Analytical mindset and ability to translate complex data to shape and execute strategies that drive competitive advantage and business outcomes
- Ability to manage complexity within a matrix organization.
