Zusammenfassung

Location: Vilvoorde, Belgium #LI-Hybrid

Novartis Belgium & Netherlands is an internationally renowned pharmaceutical company, specializing in the research, development and marketing of innovative medicines. We are looking for a Time Services Expert on a permanent basis for our offices in Puurs.

The purpose of the role is to support the development of P&O processes, principles, and guidelines for a small client group, as well as coordinate data analysis and evaluation, in support of the implementation and/or maintenance of processes / services / continuous improvement in scope.

About the Role

Your responsibilities will be but are not limited to:

- Provide administrative support to the implementation of processes and standards for all P&O Services aspects (e.g., services, processes, continuous improvement) and follow up inquiries on problems and requests from customers/users.
- Attend to standard service requests, answer questions, resolve problems if possible, or support problem resolution by close collaboration with next level support and/or experts.
- Perform user administration tasks (e.g., access management).
- Assist in tracking service requests and troubleshoot – support the analysis of error messages and questions.
- Perform administrative tasks to facilitate the delivery and presentation of key data to supervisors.
- Prepare reports on the evaluation of services and processes.
- Track and correct time records so that a transfer to payroll is correct.
- Follow up on time credits (report to RVA, HRops for contract creation, adjust work plan and leave balance in Primetime, notify Manager for Workday adjustment).
- Follow up industrial accidents (report to insurance) in collaboration with HSE.
- Reports (Work accidents, Active/inactive, temps, etc.).
- Annual: calculate and upload leave entitlements (for NM in Primetime, for Pharma in eBlox, for Netherlands in Workday - automatic upload but check).

Minimum requirements:

- University degree or similar education
- Several years of relevant experience
- Fluent English / Dutch

- Knowledge of Belgian and Dutch legislation. Support and advise stakeholders on the application of legislation
- Collaborating across boundaries
