

Operations Manager, Americas Strategy and Operations (Resourcing)

Job ID
REQ-10039013
Febr. 03, 2025
USA

Zusammenfassung

The Operations Manager supports the Associate Director, Strategy & Operations (S&O) in providing oversight and coordination of complex activities including budget & strategic resource management within a multi-year view.

This position requires excellent communication and organizational skills, the ability to think strategically and to utilize robust data and leading trends for current year resourcing and future year planning for the Americas Study and Site Operations (SSO).

#LI-Hybrid

The ideal location for this role is East Hanover but remote work may be possible (there may be some restrictions based on legal entity). Please note that this role would not provide relocation as a result. If associate is remote, all home office expenses and any travel/lodging to specific East Hanover for periodic live meetings will be at the employee's expense. The expectation of working hours and travel (domestic and/or international) will be defined by the hiring manager.

About the Role

Key Responsibilities:

- Collaborate with the Operations Assoc. Director in the Americas SSO S&O to provide resource management expertise to the Americas SSO leadership team and drive resource gap analyses from operational and strategic viewpoints to ensure sufficient resources are secured.
- Responsible for implementing the SSO resourcing strategy for assigned functional area within Americas SSO in partnership with the Hub Head of SSO S&O, including detailed planning and tracking of internal and external resource utilization (budget and FTE).
- Builds and maintains collaborative relationships within SSO and with Global counterparts to facilitate resource deployment and reallocation across areas, in line with SSO strategic vision.
- As a delegate of the Operations Assoc. Director, collaborates with GCO Finance, where applicable, to build the Americas SSO budget and manage financial targets with an ongoing review for process optimization. May provide guidance and coordination with Finance to other SSO functions during annual SSO Strategy and Portfolio Planning.
- In collaboration with the Assoc Director of Operations, sponsors the development and implementation of sustainable, agile resource algorithms across SSO to enable future-proofed and portfolio-driven real time

resource allocation.

- Supports Americas SSO Leadership for assigned area of responsibility in the creation and deployment of data-driven approaches and solutions to business resourcing model.
- For assigned area of responsibility, assist the Americas SSO LT in management of their function's budget targets, including travel budget, Service Level Agreements, and providing general expertise and guidance.
- Align with other SSO Project Managers on organizational processes and recommendations to ensure optimum performance, assessment of opportunities, and interaction with other relevant functions.
- May serve as a delegate for the for Americas SSO S&O Leadership team.

Role Requirements:

- Bachelor's degree Business, Math, Economics, Finance, Operations or a related field. (Master's or PhD highly desirable).
- 3+ years working in strategy, innovation, budget/finance or a clinical operations role. Specific experience in clinical trials is a plus but not required.
- Superior Strategic thinking skills, ability to manage multiple deliverables, flexibility to quickly adapt priorities according to business and strategic needs.
- Excellent communicator and presenter (oral and written), ability to communicate at all levels
- Ability to influence in a global matrix environment and cross-functionally through strong negotiation skills, decision making strength, communication and writing skills.
- Demonstrated leadership in innovation, technical approaches and demonstrated success in planning and executing projects.
- Bilingual (Spanish, Portuguese) preferred.

Novartis Compensation and Benefit Summary: The pay range for this position at commencement of employment is expected to be between: \$119,700 and \$222,300/year; however, while salary ranges are effective from 1/1/25 through 12/31/25, fluctuations in the job market may necessitate adjustments to pay ranges during this period. Further, final pay determinations will depend on various factors, including, but not limited to geographical location, experience level, knowledge, skills, and abilities. The total compensation package for this position may also include other elements, including a sign-on bonus, restricted stock units, and discretionary awards in addition to a full range of medical, financial, and/or other benefits (including 401(k) eligibility and various paid time off benefits, such as vacation, sick time, and parental leave), dependent on the position offered. Details of participation in these benefit plans will be provided if an employee receives an offer of employment. If hired, employee will be in an "at-will position" and the Company reserves the right to modify base salary (as well as any other discretionary payment or compensation program) at any time, including for reasons related to individual performance, Company or individual department/team performance, and market factors.
