

# Site Quality Head

Job ID

388688BR

Jul 09, 2024

Turquía

## About the Role

- Ensure that all aspects of the handling, manufacturing, testing, release of products at the site are compliant with GMP, GDP, Corporate Standards and any applicable local/international Regulatory Standards.
- Staff, train, and develop the quality department
- Provide leadership, direction and support to the people within the Quality department and ensure that they are qualified, achieve a high level of competence, are motivated and carry out their duties in a safe manner.
- Co-ordinate with other members of the management's operating team in the day-to-day conduct of the site's business.
- Develop and implement processes to improve quality, demonstrate ongoing control and cost efficiency.
- Maintain, along with your team the plant in a validated state.
- Participate in, respond to all Health Authority, internal and external audits, and be the site responsible for this matter. Be the Quality spokesperson during external audits.
- Prepare, present and manage the budget for operational expenses, headcount and capital investments
- Ensure adequate management of product critical quality issues (deviations, out of specifications). Ensure investigations are accurately executed and adequate CAPAs are defined, and accurately follow up of CAPAs efficiency.
- Define, implement, supervise, consolidate, and analyze Site Quality KPIs. Drive for Site management team accountability.

## Diversity & Inclusion / EEO

*Olağanüstü, dahil edici bir çalışma ortamı sunmak ve hizmet verdiğimiz hastalar ile toplulukları temsil eden çeşitli ekip temsilcileri oluşturmaya kendini adanmıştır.*
