- Ensure compliance of products with specifications and with corporate, health authority, and customer requirements
- Support on-time testing of samples and QC Release of Batches according to defined timelines
- Collaboration in GxP audits/inspections

Requirements:

- More than 2 years of experience in QA/QC/AS&T/Production within Pharmaceutical industry
- Fluent English and German
- Operational and Project excellence
- Stakeholder Engagement

Desirable requirements:

- Knowledge of IT Applications & tools
- Experience in quality control and laboratory excellence
- Experience in resource planning (personal, equipment, costs)

Benefits and rewards: Read our handbook to learn about all the ways we'll help you thrive personally and

professionally: <https://www.novartis.com/careers/benefits-rewards>

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, childcare facilities, learning and development opportunities as well as worldwide career possibilities within the Novartis group. In accordance with Austrian law, we are obliged to disclose the minimum salary as stated in the collective bargaining agreement. For this position the minimum salary is **€64.023,61 /year** (on a full-time basis). The actual salary may be higher, as we strive to maintain a competitive position in the market and consider your previous experience, qualifications and individual competencies.

If because of a medical condition, physical disability or a neurodiverse condition you require an adjustment during the recruitment process, please reach out to disabilities.austria@novartis.com and let us know the nature of your request as well as your contact information. The support which we can provide will include advice on suitable positions as well as guidance at all stages of the application process. Austrian law provides candidates the opportunity to involve the local disability representative, Behindertenvertrauensperson (BVP), in the application process. If you would like to request this, please let us know in advance as a note on your CV.

Commitment to Diversity and Inclusion:

Novartis is committed to building an outstanding, inclusive work environment and diverse teams' representative of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other.

Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together?
