Resumen

Are you passionate about partnering and driving teams to their highest performance? We are seeking a Strategic Capabilities Business Partner to join our team! In this role you will have primary responsibility for the Commercial Capabilities Strategy Plans in partnership with the business. You will be the main point of contact within existing teams to support the implementation of existing and new learning programmes, products and structures. You will ensure continuous improvement of commercial skills and call impact through systematic trainings by assessing skill level/brand knowledge across the field force teams.

About the Role

Key Responsibilities:

- **Design, develop and implement training programs for entry level and experienced field force associates including sales techniques, presentations, project and product applications information with the aim of equipping representatives with tools to launch products to Novartis standards.**
- **Design and deliver training in areas as required to support Commercial Development Capability Plans by target audience and brand.**
- **Commercial Upskilling of Field Roles: Design and implement local strategies in order to deploy global enterprise programs for field force associates at a country level.**
- **Role Onboarding: partner with the business to provide a smooth onboarding into the field role.**
- **Change management: provide consultation in acceleration of adoption of new ways of working or AI products in brands / teams.**
- **Participate in Global Council Capability Meetings.**
- **Manage LMS and training budget management.**
- **Bring the outside in: look for external trends, latest learning methodologies that can upgrade existing learning strategy plans.**

- **Work with relevant personnel and agencies, devise and develop Capability Building projects for field associates.**
- **Design local programmes to support local upskilling / reskilling training strategies.**

Essential Requirements:

- **Experience in a learning role, preferably in commercial training.**
- **Passionate about new learning methodologies, curiosity.**
- **Experience in change management.**
- **Stakeholder management at all levels.**
- **Management of dashboards and KPI's, analytical capability.**
- **Management of Learning Platforms (LMS).**

Desired Industries: Pharmaceutical, FMCG, Retail, Consulting

Education: University Degree

Languages:

- **Spanish**
- **English**
