Resumen

Responsible for a consistent, cross-functional brand strategy shaping and implementation, for all assets having moved from Global to International TA until the handover to IBBI. Will evolve globally created early brand strategies, such as the Integrated Product Strategies (IPS) into a competitive, truly cross-functional launch plan that is fit-for-purpose for core IMI markets and sets a foundation of launch success for Novartis' next blockbusters. (International) -Leads strategic, cross-functional decisions for International and above-brand strategic initiatives, incl. partnerships, policy shaping, and for launched assets, will monitor and respond to major events and competitive landscape developments. (International)

Close interaction with core IMI markets, collaboration with MAP and CE&E teams to shape launch deliverables and TA-relevant customer experiences/ journeys and campaigns/ content for major IMI markets, and with respective IM-US counterpart to ensure consistent brand positioning worldwide, leverage learnings and transferable practices. (International) -Leads, manages and develops the overall performance of the TAs current and future product portfolio and deliver sales and profits within agreed budgets. (Region/cluster/country) -Leads and develops a high-performing sales and marketing team and build effective and enduring business relationships with key customers/ stakeholders. (Region/cluster/country)

Typically leads a medium to large revenue country organization, covering both sales and marketing activities, with responsibility to drive performance and develop operational strategy for their organization. (Region/cluster/country)
