Mar 03, 2025
Suiza

Resumen

Join to Novartis Switzerland part-time trainee position to support the Business Planning and Analysis (BPA) managers and overall business within a country with complex analysis, reporting, forecasts etc. You can expect to work cross-functionally and proactively contribute to a data-driven decision-making culture, leveraging your excellent communication and analytical skills.

You will join an inspired, curious organization with great team spirit. As a purpose-driven, flexible team, we define our shared success by the value we contribute to the business. You should have the potential and the ambition to grow into a BPA Analyst position, showing up with a positive, naturally curious, pragmatic hands-on approach and can-do mentality.

About the Role

Major accountabilities:

- Supporting the delivery of our financial objectives by deeply connecting with our business, providing relevant stakeholders with insights based-on deep-dive ad-hoc analysis
- Delivering high quality, on-time financial reports & help converting insights generated as part of it into recommendations & business impact
- Ensure precise cost recognition and FTE allocation
- Ad hoc part of cross functional project teams
- Profitability and benchmarking analysis
- Opportunity to work closely with the BPA Managers on various topics

Minimum Requirements:

- Ongoing or recently graduated in a related field (e.g. Finance, business, engineering, economics etc.)
Ideal for a student worker
- A good business mindset and digitally savvy
- Good spoken and written English
- German or other European languages is a nice to have
- Good collaborator and experienced in working in interpersonal teams (During studies or work)
- Strong analytical and problem solving skills

Benefits and rewards:

Read our handbook to learn about all the ways we'll help you thrive personally and professionally:

Commitment to Diversity & Inclusion:

We are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Accessibility and accommodation:

Novartis is committed to working with and providing reasonable accommodation to all individuals. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in any order to receive more detailed information about essential functions of a position, please send an e-mail to inclusion.switzerland@novartis.com and let us know the nature of your request and your contact information. Please include the job requisition number in your message.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives.
