Résumé

Novartis is among the world's leading pharmaceutical companies, always seeking to bring innovative products to patients quickly and effectively. As a global company, resources and learning opportunities at Novartis are also plentiful, involving both global and local cross-functional careers. As part of Novartis Brazil, you will have great opportunities to develop and impact the success of our business, contributing to the same purpose of reimagining medicine to improve and extend people's lives

About the Role

Work Model: Hybrid

Locality: São Paulo

Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

About the Role:

This role will work directly with the area: Value & Access

Key responsibilities:

- Be part of the brand core value team, working closely with PM and MA to co-create the brand strategy
- Lead an innovative access strategy for brands in collaboration with PAGs, Medical, Marketing, and Gov. Affairs.
- Influences and engages with healthcare professionals/payers to accelerate access and leverage outside-in perspective
- Identify main clinical and economic data GAPs for public and private incorporations and propose solutions in collaboration with the cross-functional team
- They prepare and present high-quality, impactful, national payer submissions (value dossier)
- Design and conduct methodologically thorough HE&OR studies and projects and take the HE&OR research from concept to publication
- Build brand value proposition and provide training analysis, tools, evidence, action and events to support and communicate the value propositions
- Develop patient brand access programs, managed entry agreements and outcome-based models according to access strategy.

Essential Requirements:

- Deep understanding of the most relevant market access stakeholders (payers, governmental bodies, industry associations, professional associations and other stakeholders);
- Understand decision processes of National HTA evaluations (CONITEC and ANS) as well as HMOs and Public local payers (State/Cities/Hospitals)
- Build trusted and strategic relationships with payers to co-create our value access approach and deep understanding of the Brazilian private market.
- .Knowledge of Health Economics/RWE;
- Strategic and Business Mindset
- Fluent in Portuguese and English.
