République tchèque

Résumé

Location: Prague, Czech republic; #LI-Hybrid As a Buyer, you are responsible for the execution of bidding and contracting activities. You will also be providing analytics and prepare reports, contribute to delivery of measurable value for Novartis, through alignment of business requirements, sourcing expertise, supplier market intelligence, financial productivity, and mitigation of risk. Categories you will be managing in the role: construction, engineering, facility management, lab equipment, analytical services. *In agreement this might be changed.*

About the Role

Key Responsibilities:

- Sourcing validation and analysis from business users, country procurement organization or category managers, like direct users on correct buying (content streams) channels if required. Engage category teams where defined thresholds are met.
- Supplier selection, requested risk analysis performance verification and update.
- Supplier scoring criteria definition and documentation preparation for competitive bidding event.
- eSourcing event management and monitoring, supplier communication, supplier training, bidding analysis, pitch presentation organization.
- Negotiations after the eSourcing event closure to reach the most competitive prices. Bids examination and sourcing summary sheet (outcome) completion. Recommendation to award and informing suppliers on competitive bidding results.
- Finding opportunities to improve and automate recurrent processes, thus allowing greater focus on value adding activities.
- Contract preparation. Contract drafting based on agreed templates. Full terms and conditions or contractual terms negotiation. Contract review and contract content approvals coordination, signature process initiation and monitoring (ink, electronic). Contract archiving in the global standard contract management system.
- Perform consistency checks and corrective actions (e.g. preferred vendors and related contract coverage).

Essential Requirements:

- University/Advanced degree in Business Administration/Economics/Finance/Statistics or similar is

required.

- Minimum 2 years of experience of working in a global environment in within procurement / purchasing.
- Good understanding of procurement processes.
- Fluent spoken and written German or English are a must.
- Experience in Spend reporting, analysis and optimization. Experience with eSourcing tools.
- Ability to work in virtual teams and with remote stakeholders.
- High proven interpersonal, communication & negotiation and skills. Advanced Analytical & Conceptual Thinking, organizational skills, results oriented and proactive.
