Malaisie

## Résumé

To support the business within country(s) to ensure seamless P2P and T&E operational services, provide P2P and T&E related strategic consultancy to key stakeholders and connecting between different functions and departments to ensure early resolution of critical issues and queries/ or process changes.

## About the Role

### Major accountabilities:

- Support by close monitoring and improvement of the P2P and T&E KPIs/ process performance for the country(s). Update Key stakeholders on KPIs and process operations. Take initiatives to improve KPIs and operations excellence by understanding RCA and initiating CI activities (where possible).
- Improve Finance Core Convergence, Harmonization of processes among countries and reduction of step outs. Keeping the stakeholders up to date on the on Global Policies and procedures. Ensure compliances to those policies.
- Develop a strong and active relationship with Internal and External stakeholders. Organize structured meetings, clinics, virtual sessions to keep close with the business users and stakeholders. Keep the Key stakeholders up to date with any incidents and remediation plans. Work as an escalation point for the business and ensure timely resolution of all escalations. Ensure Users and operators are up to date with process and on their R&Rs. Coordinate IA and Stat Audit requirements from P2P and T&E perspective.
- Work in collaboration with HUB and GPOs to ensure Global initiatives and policy changes are implemented at country level with reasonable notice time, training and without hampering the operational harmony. Keeping the process documentation up to date ensuring easy backfill.
- Value customer voices. Develop mechanism to engage customers in providing feedback and to improve the feedback.

### Minimum Requirements:
