Résumé

As Business Development & Licenses Manager, you will be responsible to enhance the value of Novartis' drug portfolio and out-licensing opportunities via leading and developing external alliance agreements and assisting in closing business deals and contributing in decision making. Value creation by seeking, structuring, negotiating and managing collaborative arrangements with partner companies. Responsible for providing financial and strategic insights, and contributing to long term forecasting and strategic planning.

About the Role

Major accountabilities:

- Assist the Business Development Lead in preparing regular reports, feasibility studies, and business models to evaluate potential opportunities.
- Conduct in-depth market and competitive analysis to support business development strategies.
- Analyze partnership performance metrics and KPIs, providing actionable insights and recommendations.
- Support in collecting and analyzing data on partnership performance and other key metrics.
- Assist in day-to-day operational tasks related to partnership management & business development processes.
- Provide analytical support for assessing partnership opportunities and strategic initiatives, contributing to decision-making processes.
- Ensure compliance with regulatory, medical, PV requirements and company policies in all operational aspects related to partnerships and business development.

Minimum Requirements:

- University degree in Engineering, Business or Economics; MBA or MSc in Analytics will be an asset.
- At least 5 years' experience in multinational environment, preferably related to healthcare and consulting.
- Strong business acumen and established business partnering skills with willingness to go beyond role boundaries.
- Team player, pro-active, with good communication and interpersonal skills and ability to present & synthesize.

- Hands-on approach with exceptional analytical skills.
- Talent to operate in fast-paced organization with high degree of accountability & impact.
- Strong project management skills and cross-functional influencing management skills.
- Fluency in Greek and English, both in verbal and written communications.
