Résumé

SHIFT LEAD II SOLUTIONS/PACKAGING

As production supervisor, you have an important role within Novartis as key part of the production. You'll work in a multidisciplinary workspace and get the opportunity to learn and deliver high quality products to patients worldwide. Together with your team you're responsible for the daily realization of the planned production targets according to the required quality standards.

About the Role

Your responsibilities include, but are not limited to:

- You are responsible for shift supervision, team coordination planning and support of a packaging organization
- You will be jointly responsible for the daily realization of the planned production targets, according to existing procedures in order to ensure quality and productivity. You will ensure a good communication flow top down and bottom up.
- You are the first level support for incident and deviation reporting during manufacturing.
- You will jointly manage a team of more than 80 employees, you will take care of the division and play a coaching role. You will also provide training and education.
- You are responsible for the production lines and follow-up of efficiencies. Moreover, you will be involved in optimizing the production process (in terms of capacity, quality, productivity, costs...) in a strongly people-oriented environment.

What you'll bring to the role:

- A degree in a scientific / technical direction (university or equivalent, eg bio-engineer, industrial engineer,,...) or equivalent by experience
- At least 2 years of professional experience in pharma and / or a production environment.
- A first experience with people management.
- A pleasant and friendly personality, you know how to put people at ease, you are highly empathic.

- Stress resistance in a dynamic environment and capability to cope with quickly changing priorities in the plan.
- Human knowledge, good logical reasoning skills, good organizational and coordination talent and the capacity to devise and implement process improvements in a creative way.
- Excellent knowledge (speaking and writing) of English and Dutch.
