Résumé

Location:

The ideal location for this role is the East Hanover, New Jersey site but remote work may be possible (there may be some restrictions based on legal entity). Please note that this role would not provide relocation as a result. If associate is remote, all home office expenses and any travel/lodging to specific site for periodic live meetings will be at the employee's expense. The expectation of working hours and travel (domestic and/or international) will be defined by the hiring manager.

The Associate Director, US Market Access Therapeutic Area Strategy is responsible for supporting the optimization of the market access strategy for launch and inline brands through the delivery of the tactics designed to achieve the market access strategy. This role will work across the US market access organization to ensure that different subgroups are involved and/or informed in tactical execution as appropriate (i.e., Strategic Pricing & Contracting, Commercial Access Integration, Patient & Support Services, Finance). Additionally, this individual will ensure that market access tactics are executed against across the broader affected organization (i.e., the Product, Integrated Marketing, and Customer Engagement Organizations). The overarching objective is to ensure that each of our products is positioned for optimal payer coverage, affordability for appropriate patients, and durable value for Novartis over time and as the product matures and/or extends into new indications.

About the Role

Your responsibilities will include, but are not limited to:

- Functioning as a point of contact for US product teams
- Assisting in the development of annual Market Access product-specific tactical plans and partnering with brand and other Market Access teams to ensure that annual budgets are secured
- Engaging with the Integrating Marketing and Customer Engagement Organizations to ensure that we are working efficiently and market access strategies are seamlessly executed upon across the organization
- Supporting annual forecast activities
- Socializing US market access product strategies as appropriate with US Product Leads
- Supporting development of critical market research including development of qualitative and quantitative areas of study, and determining fundamental go-to-market principles to achieve optimal product commercialization
- Managing vendor RFP process and ensuring contracting compliance

- Responsible for managing multiple budgets and deliverables, including organizing interim project read-outs to ensure cross-functional alignment and ensuring deliverables do not exceed allocated budget
- Working closely and engaging with Legal, Compliance, Brand and Marketing teams to ensure tactics are aligned and implemented in an expeditious and compliant manner
- Mastering the NVS Material Approval Process, including FUSE platform, compliance with pharma/FDA marketing policies, and vendor payment systems
- Works within ethical and compliance policies, ensures a diverse and inclusive environment free from all forms of discrimination and harassment, adheres with Company policies, state and federal laws and regulations and ensures those around him/her do the same.

Education: Bachelor's degree required; MBA, Healthy Policy or equivalent preferred

Experience:

- Minimum of 5 years of pharmaceutical experience in Marketing/Sales, Market Access or Managed Care Finance
- Awareness and understanding, and experience with US healthcare dynamics and the drivers of pharmaceutical value
- Success in the areas of commercial pharmaceuticals and a track record of execution and results
- Ability to recognize complex relationships and market dynamics and to synthesize simplified, direct and effective communications
- Strong interpersonal, communication and analytical skills combined with an ability to successfully collaborate across a matrix organization
- Ability to consistently meet deadlines and manage multiple projects with potential interdependent findings and deadlines
- Engage a diverse group of people across product, marketing and customer experience
- Ability to adapt to changes within the internal and external environment
- Proficient in Microsoft Office, particularly PowerPoint and Excel
- Travel as required

You'll Receive: You can find everything you need to know about our benefits and rewards in the Novartis Life Handbook. <https://www.novartis.com/careers/benefits-rewards>

Commitment to Diversity & Inclusion: Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Novartis Compensation and Benefit Summary: The pay range for this position at commencement of employment is expected to be between \$183,200.00 and 297,700.00/year; however, while salary ranges are effective from 1/1/2 through 12/31/25, fluctuations in the job market may necessitate adjustments to pay ranges during this period. Further, final pay determinations will depend on various factors, including, but not limited to geographical location, experience level, knowledge, skills and abilities. The total compensation package for this position may also include other elements, including a sign-on bonus, restricted stock units, and discretionary awards in addition to a full range of medical, financial, and/or other benefits (including 401(k) eligibility and various paid time off benefits, such as vacation, sick time, and parental leave), dependent on the position offered. Details of participation in these benefit plans will be provided if an employee receives an offer

of employment. If hired, employee will be in an “at-will position” and the Company reserves the right to modify base salary (as well as any other discretionary payment or compensation program) at any time, including for reasons related to individual performance, Company or individual department/team performance, and market factors.
