Résumé

This executive will be responsible for a consistent, cross-functional brand strategy shaping and implementation, for all assets having moved from Global to International TA until the handover to IBBI. Will evolve globally created early brand strategies, such as the Integrated Product Strategies (IPS) into a competitive, truly cross-functional launch plan that is fit-for-purpose for core IMI markets and sets a foundation of launch success for Novartis' next blockbusters.

About the Role

Key responsibilities:

- Drive the growth of the TAs by establishing growth plans for existing products, effectively managing their life cycle, successfully launching line extensions; and establishing and managing effective strategic partnerships.
- Entrepreneurial approach to portfolio management to optimize ROI across a diverse range of brands through the lifecycle by actively partnering with key stakeholders, investing across brands with shared/pooled services and flexibly budgeting according to prioritized outcomes.
- Use digital engagement channels, innovative access models & cross-portfolio approaches to optimize value across the lifecycle of the brands.
- Develop the retail portfolio strategy, product segmentation, demand generation, distribution, channels, pricing, and partners.
Make VMS commercial operation simpler and leverage the platform (campaign and communication).
- Lead due diligence, build a network of contacts, oversee the evaluation of partnerships at multiple levels execute organization objectives through proactive alliance management,

Essential Requirements:

- Significant leadership experience and proven ability to manage and motivate associates of widely varying backgrounds and different therapeutic areas and strategies.
- Experience with sales force commercial teams with different expertise and maturity levels.
- Proven track record of P&L and commercial management responsibility
Diverse Portfolio management expertise throughout the end-to-end lifecycle.
- Experience in developing and executing risk-sharing agreements and licenses (OSB).
- Ability to secure integrity and compliance, regulations and guidelines
- Strong knowledge of the Brazilian Healthcare system.
- Strong Knowledge to drive marketing and commercial.
- Fluent in English and Portuguese fluent.
