Sommario

Location: Cairo, Egypt #LI-Hybrid About the Role: As a Time Service Delivery Expert, you will be responsible to support the development of P&O processes, principles, and guidelines for a small client group, as well as coordinate data analysis and evaluation, in support of the implementation and/or maintenance of processes / services / continuous improvement in scope. This role reports directly into the Time Service Delivery Manager and will work hand in hand with the Time Services Delivery team.

About the Role

Key Responsibilities:

- Support the team in the operational conversion of P&O (HR) strategic objectives.
- Provide support and specific advice in the implementation of processes and standards for all P&O (HR) Services aspects (e.g. services, processes, continuous improvement) and provide guidance and assistance on problems and requests to customers/users through consulting and training.
- Support the identification and planning of services P&O (HR) Services will provide.
- Handle standard service requests, answer questions, resolve problems if possible or support problem resolution by close collaboration with next level support and/or experts.
- Perform user administration tasks (e.g. access management).
- Track service requests and troubleshoots. Analyze error messages and questions.
- Support periodic cost and efficiency analyses to support productivity objectives. Support personnel cost budgeting process and control.
- Support evaluation of the services / processes / continuous improvement in scope. Contribute to P&O (HR) Services projects at country or BU level.

Essential Requirements:

- Bachelor's Degree in any relevant discipline.
- Previous experience in HR Services is a plus.
- 0-2 years of experience in a customer-facing role.
- German level C1 or Swiss-German Level B2 is a must.
- English language proficiency is a must.
- Outstanding communication skills.
- Strong problem-solving skills.
- Strong attention to details.
