Sommario

Giving our audiences an emotional connection to what we do and how we do it This important role will support our People & Culture communications work through content creation/curation, design, and storytelling across various platforms—focused on the human experience. You'll pioneer the use of cutting-edge IT and digital tools, collaborate globally, and shape the story of our organization, leaving a lasting impact on talent engagement and strategic communications.

About the Role

About the role:

Giving our audiences an emotional connection to what we do and how we do it

This important role will support our People & Culture communications work through content creation/curation, design, and storytelling across various platforms—focused on the human experience. You'll pioneer the use of cutting-edge IT and digital tools, collaborate globally, and shape the story of our organization, leaving a lasting impact on talent engagement and strategic communications.

Location: Basel, Switzerland Dublin, Hyderabad, Prague (US is also an available location for this role please apply for the separate position if you are US based)

Key Responsibilities:

- **Storytelling Excellence:** Craft compelling content focused on employee and human experiences, collaborating with content creators to showcase diverse narratives that resonate with our audience.
- **Digital Innovation:** Collaborate as a point of contact (POC) for IT and digital experience tools and channels, driving forward-thinking strategies to enhance our online presence and engagement.
- **Global Onboarding Leadership:** Co-lead the development of new hire onboarding experiences and content globally alongside the Culture Content & Channels Manager, ensuring a seamless and impactful introduction to Novartis.
- **Strategic Collaboration:** Work closely with Creative Services and Operations teams to ensure efficient and effective distribution of our messages, leveraging their expertise to amplify our storytelling impact across various platforms.
- **Team Player:** Willing and hungry to lend a hand across the team when things get intense

Role requirements:

- Bachelor's degree (or equivalent) required
- Strong communications experience (internal, external or both) in a large multi-national company

- Experience strategizing and creating with owned, earned and paid media
- Natural storyteller; Knows how to easily create or curate impactful stories and effective visual and written content for various tactics and audiences on varied channels (social and otherwise)
- Strong acumen and comfort with technology
- Able to achieve results and to operate within a complex, fast-paced and changing environment

Nice to have:

- High capacity for quick learning; Loves feedback; Willing to make mistakes
- Proven ability to collaborate with cross functional teams and senior executives to align communication strategies with organizational goals and experience in project management

Benefits and rewards:

Read our handbook to learn about all the ways we'll help you thrive personally and professionally:
