Job ID  
REQ-10042629  
Mar 11, 2025  
USA

## Sommario

This position will be located at the Tempe, AZ site and will not have the ability to be located remotely. Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

The Patient Coordinator 2 (PC2) is responsible for providing support and resolution for customer requests. They accurately and efficiently answer calls that are received from patients, their caregivers, and health care practitioners. The PC2 educates and addresses questions regarding the brand, enrollments, and basic case status updates as appropriate. The PC2 role supports pro-grams associated with specialty pharmacy or radio ligand therapeutic products for highly com-plex, rare or orphan diseases.

The PC2 may share appropriate information with patients/caregivers around other resources and ser-vices that the PSC may be able to offer, or transfer them to the appropriate PSC partner, including their designated Patient Navigator. The PC2 must have strong communication skills to converse with customers about their treatment journey and offer solutions in accordance with ap-proved procedures. A PC2 will possess a learning mindset, the ability to accept and implement constructive feedback, and a general aptitude for continual development. In addition, a PC2 possesses the ability to manage stressful calls as they arise, while reflecting a calm and reassuring tone and attitude for our patients, their caregivers, and our customers.
